PROUD HISTORY, POWERFUL FUTURE

Some of us were born ready. We jump right in. We step right off. We look at the world and see one big green light. We define our lives by action. Challenges met. Obstacles overcome. And we like to be around other people like us. People who were born ready. The U.S. Coast Guard was born ready. In 1790 we hung out a sign that said, "bring it on." And the calls have never stopped. We are an armed service. We are a law enforcement agency. We are the men and women who you look for in your darkest hour. And the sea invents new ones for us daily. If you look around yourself and see a country worth protecting. If adrenaline is something you can't live without. If you are your own captain, but wouldn't mind serving another. If you were born ready. Then we might be the right place for you. Find us.
